

**PEACE OF MIND IS HAVING ACCESS TO TIMELY AND ACCURATE INFORMATION SO YOU CAN MAKE INFORMED DECISIONS WITH CONFIDENCE**

- Scenario

You are in a challenging and competitive business which requires focus. At the same time you are being challenged with critical decisions and too little time or information to effectively navigate these decisions. You need timely and accurate information.

- The Solution

Peliton understands having access to timely and accurate business information is critical for you to make informed decisions. Peliton Corporate Accounting Services provides a comprehensive managerial accounting service that completes all of the accounting and bookkeeping tasks that are normally completed by in-house staff that often times are not accountants and/or have other job functions to perform.

Providing daily, weekly, and monthly execution of accounting tasks ranging from accounts payable and billing to financial statement preparation and management analysis, Peliton's accounting teams offer the depth and reliability necessary for success.

**DAILY, WEEKLY & MONTHLY COMPLETION OF**

- > Full Cycle Accounts Payable
- > Accounts Receivable & Billing
- > Financial Statement Preparation
- > Budget & Bank Presentations
- > Capital Planning & Cash Management
